

Curriculum vitae

Prof. Dr. Öner Süzer

Work address: University of
İstanbul, Cerrahpaşa Faculty of
Medicine,
Department of Pharmacology and
Clinical Pharmacology, 34303
İstanbul, TURKEY

Phone: (+90 212) 4143129

Fax: (+90 212) 4143129

e-mail: osuzer@istanbul.edu.tr

web site: www.onersuzer.com

Marital status: Married, has a Cerrahpasa Medical School student daughter; his wife is expert doctor in anesthesiology and reanimation.

Nationality: Republic of Turkey

Date of birth: December 27, 1961

Place of birth: Ankara

Work experience

12/1985 - 3/1986

Bafra State Hospital Emergency Polyclinic

General practitioner.

4/1986 - 7/1987

Military service

Chief doctor in 246th infantry regiment Oltu, Erzurum.

8/1987 - 9/1988

Samsun State Hospital Emergency Polyclinic

General practitioner.

10/1988 - 4/1993

Education in pharmacology

Cerrahpaşa Faculty of Medicine Department of Pharmacology, research assistant.

4/1993 –11/1997

Cerrahpaşa Faculty of Medicine Department of Pharmacology, resident.

11/1997-

Staff membership

Staff member of the same department after the degree "associate professor" in 10/1997, and full professor since 8/2003.

Education

1971 - 1975	Ankara Anatolian High School
1975 - 1979	Ankara Science High School
1979 - 1985	Hacettepe University, Medical Faculty

Dates for academic titles

10/1985	Medical Doctor
4/1993	Expert of Medical Pharmacology
11/1997	Associate Professor of Pharmacology
8/2003	Professor of Pharmacology

Foreign languages

English (excellent, KPDS score A)

French (good, KPDS score B)

Italian (fair, KPDS score E)

Memberships

Turkish Pharmacological Society (President)

Graduates of Ankara Science High School

Turkish Medical Association

Association of University Staff Members

Association of Istanbul University Staff Members

Istanbul Sailing Club

Selected Publications

1. A Süzer, N Yapıcı, **O Suzer**, Z Aykaç. Similar brain oxygen consumption with thiopental or midazolam in cardiopulmonary bypass. *British Journal Anesthesia* 74(suppl. 2): A37, 1995.
2. **O Suzer**, A Süzer, Z Aykaç, Z Özüner. Dose response curve comparisons for midazolam and thiopental in isolated perfused rat hearts. *British Journal of Anesthesia* 74(suppl. 2): A45, 1995.
3. P Bozkurt, G Kaya, **O Suzer**. Diazepam serum concentration-sedative effect relationship in patients with liver disease. *Middle East Journal of Anesthesiology* 13(4): 405-413, 1996.
4. **O Suzer**, K Bozkurt, A Süzer, Z Aykaç, A Barlas. Levosimendan is a more potent inotropic agent than amrinone after ischemia in isolated perfused guinea pig hearts. *British Journal of Anesthesia* 76(suppl. 1): A9, 1996.
5. **O Suzer**, AK Özkan, F Özdener, A Süzer, Z Aykaç, Z Özüner. Trimetazidine does not reduce ischemia-reperfusion induced arrhythmias in isolated perfused rat hearts. *British Journal of Anesthesia* 76(suppl. 1): A68, 1996.
